### Waterford Family Night Event

Thursday, April 4<sup>th</sup> at 5:30 P.M.

Linwood Public Charter School Annex Building

331 E. 71<sup>st</sup> Street

"Math is Everywhere: Integrating Math into Daily Life"

PreK - 3<sup>rd</sup> Grade students and parents are invited

Learn about your student's education and how to continue the fun of learning at home. We will provide lessons, materials, and manipulatives. Come have fun with us!

Complimentary Food & Dress Down Pass for Students

### Early Check-Outs

Parents, it is crucial that your child remains at school the entire day. Please do not check them out early unless it is absolutely necessary. School work missed without an excuse cannot be made up. However, please make sure that you pick your child up ASAP if you get a call from the school stating that he/she is sick. We are mandated to transport students to the hospital if they are seriously ill and we cannot reach anyone. You will be notified what hospital they have been transported to.

# APRIL 2024

Attendance is Important - Please make sure that your child is present and on time every day. Absences are being recorded and action will be taken if excuses are not presented. If your child has more than 5-8 unexcused absences, and 5 or more tardies, please be prepared to attend a Mandatory Parent Conference.

If you have questions, please contact the School Registrar, Talya Scroggins at (318) 658-8575.

### The Counselor's Corner

It is hard to believe that April is already here. It won't be long before the hot weather arrives along with test time. We have spoken with all 3<sup>rd</sup>-8<sup>th</sup> grade students regarding their test scores and goal expectations. We are looking forward to great results. We can only reach our goals with parent support! We encourage you to be an active participant in your child's school experience. Test scores are a requirement for all advanced placement curricula.

### 8<sup>th</sup> Grade Only

Congratulations to the students who have been accepted into advanced placement programs in high schools! We publicly thank Caddo Public Schools' high schools, area colleges and universities for partnering with us to give your child an experience to encourage them in high school to graduation! The deadlines for advanced placement applications in high schools has passed, but you can still call the high school for early registration. Please reach out to us if you need your child's school records. You are always welcome to call us anytime.

Sincerely,  
Ms. Clarkson, Lead Counselor (PreK-12<sup>th</sup> Grades)

**Congratulations to the April Most Valuable Partners at Linwood Public Charter School!**

Your unwavering commitment to actively participate in your children's education sets an inspiring example for our school and community. We recognize the pivotal role parents and guardians play in shaping students' educational paths, and your collective dedication has not gone unnoticed. Thank you for being outstanding partners in the journey of learning at Linwood Public Charter School.
