attendance MATTERS

every student • every day

Attendance is Important - Please make sure that your child is present and on time every day. Absences are being recorded and action will be taken if excuses are not presented. If your child has more than 5-8 unexcused absences, and 5 or more tardies, please be prepared to attend a Mandatory Parent Conference.

If you have questions, please contact the School Registrar, Talya Scroggins at (318) 658-8575.

Early Check-Outs

Parents, it is crucial that your child remains at school the entire day. Please do not check them out early unless it is absolutely necessary. School work missed without an excuse cannot be made up. However, please make sure that you pick your child up ASAP if you get a call from the school stating that he/she is sick. We are mandated to transport students to the hospital if they are seriously ill and we cannot reach anyone. You will be notified what hospital they have been transported to.
