- Students should not be checked out from tutoring early. After 3 absences, your student will be dismissed from the program.
- Please help keep students safe by placing vapes, lighters, and tobacco products out of their reach. When students bring these items to school they risk receiving disciplinary consequences, and it places other students at risk.

COUNSELOR'S CORNER

Time is passing quickly, and it is amazing that we are in the second half of school. By now, students should be adjusted to structured settings. We will be in contact with you if there are concerns. February begins Love & Kindness Month in the counseling curriculum, and I will be teaching your little ones about love, tolerance, equality, and diversity. I am very proud of your child's developing social skills. It is refreshing see them put what they've learned in action. That's right! It takes action to make positive change.

In keeping with academics, teachers will be reaching out to you to discuss concerns. I am always happy to assist, and you are very welcome to reach out anytime. I send much love to you and your family. Thank you for the opportunity to serve as your child's counselor.

If there is anything I can assist you with, please feel free to contact me directly.

Sincerely, Ms. Clarkson, Counselor
